Bureau of Special Education FY'13 Memo #19

Date: May 20, 2013

TO: Superintendents of Schools  
Directors of Special Education

FROM: Office of the Commissioner

Division of Instruction  
Bureau of Special Education

RE: Part B IDEA, CFDA# 84.027 and Preschool, CFDA# 84.173  
Special Education Allocations Fiscal Year 2014

Attached are the IDEA (Part B, Section 611 and Preschool, Section 619, Special Education) Allocations for each school district. These figures are the allocated amounts that should be used in the preparation of your request for federal special education funds. They are reflective of the formula that went into effect in Fiscal Year 2000 for IDEA Part B as described by Code of Federal Regulation Part 300.705. They reflect the IDEA and Preschool appropriation that went into effect with the Consolidated and Further Continuing Appropriation Act, 2013 (Public Law 113-6) which gave a reduction of 5.21% for both Part B, Section 611 and Preschool, Section 619 due to sequestrations.

The Bureau of Special Education is responsible to verify and confirm that the LEAs are in compliance with all Code of Federal Regulation 300, including Assurances. In the event that an LEA is not in compliance, the Bureau may delay any payment or payments until such time as the non-compliance has been resolved.

Districts can begin their grant applications as of the date of this memo to ensure a July 1, 2013 start date.
